### Quick Tips

- Contact the companies you are sending notices to. Some may require additional specific forms. For example, changing your Direct Deposit for social security, or closing an old bank account may require a special form from that institution.
- If you have multiple accounts to close or change, make sure to print as many copies of the notices as you need.
- Sign up for Online Banking and use the WRCU Mobile App to track your account's deposits, transfers, and more!
