BEWARE OF SCAM CALLS SPOOFING SCAMS ON THE RISE

With reports of scam calls on the rise, we remind our members to remain vigilant. If you receive a suspicious phone call, email, letter, or any communication from anyone claiming to be from White Rose Credit Union, please do not hesitate to hang up, and call us directly at (717) 755-9773. We will be happy to verify if you were legitimately contacted.

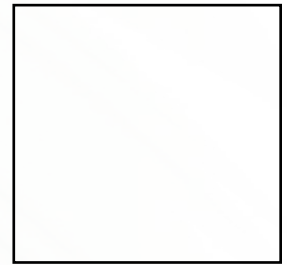

Our staff members have been instructed to take additional measures to verify the identities of members when doing business with us.

Spoofting occurs when scammers use software to alter their caller ID, often times using a local and familiar number to increase the chances of an answer.
