White Rose Credit Union continues to see growth thanks to our loyal members and dedicated employees.

As we head into the final quarter of the year, I am happy to report that our team has grown.

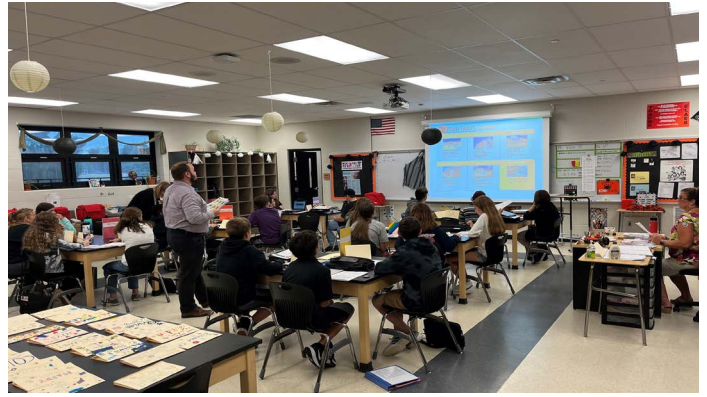

We continue to hire team members in the best interest of the credit union, to best serve you, our members. I encourage you to visit a branch and welcome our new Branch Managers in Dallastown, East York and West York. Each one of our employees is eager to serve you with personalized service and care.

Looking forward, our Board of Directors and our Management Team remain committed to improving the lives of our members and the services we offer. I am happy to report additional digital capabilities that are in the works including online account opening, and the ability to pay loan payments online using a debit card among other new options.

Thank you for your continued loyalty, support, and membership.

Sincerely,
Deb

MAD CITY MONEY

Credit union team members recently spent time at Northeastern Middle School talking to students about the credit union difference and importance of budgeting.

Eighth graders in Mrs. Walker's Family and Consumer Science Classes were put through the credit union's Mad City Money simulation. The program gives each student a fictitious job and profile, complete with a spouse, kids, and financial obligations.

Students must then make important financial decisions on their housing, transportation, and other items while navigating unexpected expenses and bills along the way.

'TIS THE SEASON TO SKIP YOUR LOAN PAYMENT

Fall brings us into the end of the year when many plan for holiday shopping. Remember that White Rose Credit Union offers Skip-a-Pay, so that you can skip your loan payment! You can apply to skip your loan payment online at whiterosecu.com.

Cost is only \$25. Application and payment fee must be submitted 5 days prior to the loan due date you wish to skip. Some restrictions apply.

PLEASE INQUIRE ABOUT OUR SPONSOR PROMOTIONS

WHITE ROSE HOLDS SHRED DAY, MEMBER APPRECIATION EVENT

White Rose Credit Union held a Shred Event and Member Appreciation Event this past August at its Corporate Office in East York, Pennsylvania.

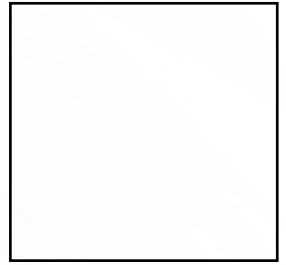

Members were invited to drive-thru and drop off their shred items, taken care of directly on-site with the help of a mobile shredding truck.

In addition to the shredding, members could stay and take part in the appreciation event which featured free food and treats, as well as kids activities, and community partners such as York City Police, Springettsbury Township Police, and York Area United Fire and Rescue.

"It was exciting to be able to start having in-person events again. I enjoyed meeting some of our members and their families as well as catching up with long-time members that I haven't seen in many years." said Deb Kauffman, President and CEO.
