A Message From Deb

Debra A. Kauffman, CCUE
President/CEO
dkauffman@whiterosecu.com

Dear members,

The dawning of a new year is not merely a change in dates; it is an opportunity for reflection, renewal and shared aspirations. As we welcome in 2024, I am filled with pride and optimism for what lies ahead.

Our success is not the result of individual efforts but rather the culmination of a diverse range of talents, perspectives, and skills. I extend my heartfelt Thanks to all who make our organization thrive. From volunteers, to the frontlines, the back offices, the members, and to the Board of Directors, every role plays a crucial part in White Rose Credit Union.

We firmly believe in active community involvement, not merely as an obligation, but as an integral part of our identity. Whether through financial education initiatives, supporting local charities, or volunteering our time, we are dedicated to making a positive impact on York and Adams counties.

Wishing you and your loved ones a Happy New Year filled with prosperity, good health, and financial abundance.

We look forward to serving you at one of our branches.

Sincerely,
Debra A. Kauffman

EMPLOYEES ADOPT A FAMILY

The spirit of the holiday season often inspires acts of generosity and kindness, and the way White Rose Credit Union staff embraces this spirit is by extending a helping hand to families in need through holiday gifting.

The YWCA of York's Adopt-a-Family program provides support for parents and their children during the holidays. Staff generously fulfilled a local family's Christmas wish list.

Visit ywcaYork.org to learn more about their programs.

During the month of November, staff collected new hats, gloves, and socks to donate to the York County Youth Development Center. Items were delivered with a pizza dinner and Christmas gift bags for the youth in residence.

Employees sported jeans on Fridays with the donations from the month going to the YDC. The shelter provides for the emergency and immediate care and custody of youth whose circumstances require that they be held in a short-term, closely supervised setting.
